DATE OF REPORT:	31 May 2006

SUMMARY: This is a report to Council to rescind Clause 1 of the resolution for item 9.3.7 of the OCM on 13 April 2006.

BACKGROUND

At the OCM 13 April 2006 Council resolved to appoint a working group comprising Councillors Campbell, Grosse, Maher, Manager Health Services and the Director Development Services to assess and report back to Council on the tenders received to trade on Cable Beach for five years from 1 January 2007.

The Working Group met Tuesday 16 May 2006 to distribute the tenders received to enable them to be taken away and read and to set a time for the formal assessment to take place.

At this meeting there was discussion about the vast range in the prices tendered for the licences to conduct camel tours, and the tender by one company for all three licences available.

Staff were asked to research various issues and to obtain advice from the Shire's Solicitors. On Monday 22 May 2006 the working group met with the Shire's Solicitor who offered some legal advice on the tenders and later submitted formal written advice. (see attachment)

COMMENT

Staff understand that the Councillors on the Working Group would prefer a panel comprising all Councillors be formed to assess all tenders received.

To do this, Council will need to rescind the resolution from the OCM on 13 April 2006:

"That Council appoints a working group comprising three Councillors, Manager Health Services and the Director Development Services to assess and report back to Council on the tenders received to trade on Cable Beach for five years from 1 January 2007."

A resolution to rescind a previous motion requires the support of three Councillors.
