Dear Leanne,

I wish to formally advise the DPI – Land Asset Management Services that I Christopher Howard Hill will be purchasing Ships of the Desert from Mr Abdul Casley. The sale will be complete by the end of business Friday 22nd June 2007.

It is my understanding that Mr Casley is presently waiting for a new lease on Lot 500 Lullifitz Drive, Cable Beach. Upon receipt of this lease I would respectfully request to be able to apply to your office to have the name transferred into my name for the remainder of the lease period.

I can give an undertaking to your office that I am fully conversant with the permitted uses of the land and will comply with all aspects of the lease terms and conditions.

The transfer of license for camel tours from Mr Casley's name to mine will be undertaken by the Shire of Broome at their next general council meeting to be held early in July.

Should your office require or seek any additional supporting information, please advise me accordingly.

Regards

Shire of Broome
PO Box 44

Dear Paul,

I wish to formally advise the Shire of Broome that I am in the final stages of negotiations with respect to the sale of my business Ships of the Desert. I expect the signing of contracts to be completed by the end of business Friday June 22nd 2007.

Mr Chris Hill, a previous applicant for a license with the Shire of Broome, is the buyer and will be operating the business himself.

I respectfully request the Shire to authorise the transfer of the license and name from Abdul Casley to Christopher Howard Hill at the next council meeting.

The DPI are aware of the sale and have advised Mr Hill he can have the new lease for our location transferred into his name as soon as I receives the lease.

I have had both myself and Mr Hill sign this, to verify the accuracy and contents with regards to the information I am supplying you with.

Regards

Abdul Casley *Abdul H. Casley*
