Dear Kenn,

The Kimberley Zone appoints an ex-officio representative to the Board of Australia's North West Tourism for a period of two years, commencing from the first meeting following the Annual General Meeting held in October. Currently this position is held by Councillor Fred Mills from the Shire of Wyndham East Kimberley.

I seek the position of the Kimberley Zone as to whether a replacement will be put forward for Councillor Mills, or whether his position has been reindorsed for a further term.

For your information, the next Board meeting of Australia's North West Tourism is scheduled to be held in Karratha on Thursday 24th March.

Sincerely

Glen Chidlow
Chief Executive Officer
