PLEASE SEE REVERSE SIDE FOR CONDITIONS OF APPLICATION

Conditions:

Gantheaume Point

The following conditions will apply to horses on Cable Beach foreshore north of the rocks at Gantheaume Point:

- a) All horses on Cable Beach must have an Approval from the Shire of Broome;
- b) The approval shall be issued to the horse owner or specified trainer;
- c) An Approval shall be granted for one year starting from 1st January each year and must be produced upon demand from a shire of Broome Ranger or Authorised Person;
- d) Racehorses are only permitted on Cable Beach at Gantheaume Point from the 1st April until 31st August.
- e) Horses access to the Gantheaume Point beach shall be by either horse float or, if ridden or lead, by the Horses Only Access Track;
- f) Persons in control of a horse being ridden or lead to the Gantheaume Point beach area shall ensure that the horse crosses over Gantheaume Point Road at the signed Horses Only Access Track
- g) Horses using the access track are not permitted to use the track at more than a walking pace;
- h) Horses are only permitted within the 2km Approved Horse Area;
- i) Once on the beach, horses are to proceed to the Approved Horse Exercise Area by either – (1) being lead or walked for the first 500m of the beach foreshore north of the rocks as close as practical to the high water mark or (2) being lead or walked from the Horses Only Access Track directly into the water and thence by swimming or walking;
- j) Horses may only be exercised by trotting or cantering within the Approved Horse Exercise Area;
- k) Horses can be galloped within the Approved Horse Exercise Area only between the hours of 5am and 10am;
- l) Horses may only be exercised by swimming or walking in the Horse Swimming area;
- m) Any person riding or walking a horse must have the horse under effective control at all times and maintain a safe distance between the horse and any pedestrians, bathers, vehicles and boats of at least 6 meters and the person in control of a horse must give right of way to pedestrians, bathers, vehicles and persons launching boats;
- n) Any person liable for the control of a horse shall ensure that all excreta is removed from the beach foreshore area and from any public land traversed.

Cable Beach Reserve to Coconut Wells

The following conditions will apply to horses on Cable Beach foreshore north of the rocks from cable Beach Reserve to Coconut Wells:

- a) All horses on Cable Beach must have an Approval from the Shire of Broome;
- b) The Approval shall be issued to the horse owner or specified trainer;
- c) An Approval shall be granted for one year starting from 1st January each year and must be produced upon demand from a Shire of Broome Ranger or Authorised Person;
- d) Horses can only access Cable Beach foreshore area defined as that land which lies between the high water mark and the low water mark of the Indian Ocean or in the sea adjacent to the low water mark;
- e) Horses can only access Cable Beach north of the rocks via the access/egress point at Cable Beach Reserve or from the access/egress point at Coconut Well;
- f) Horses must be lead or walked on the first 3000m of the beach foreshore north of the rocks as close as possible to the high water mark;
- g) Horses are permitted to walk, trot, canter, gallop or swim on Cable Beach with the exception that horses can only be galloped on the beach foreshore between 5am and 10am;
- h) Any person riding or walking a horse must have the horse under effective control at all times and maintain a safe distance between the horse and any pedestrians, bathers, vehicles and boats of at least 6 meters and the person in control of a horse must give right of way to pedestrians, bathers, vehicles and persons launching boats;
- i) Race horses are not permitted on Cable Beach between 2km north of the rocks at Gantheaume Point to Council Well;
- j) Any person liable for control of a horse shall ensure that all excreta are removed from the beach foreshore area and from any public land traversed.
