MEDIA RELEASE

24 February 2011

For immediate release

No mulch from Waste Management Facility until further notice

The Shire of Broome has suspended the sale of mulch from its Waste Management Facility (tip) until further notice.

Due to the significant amount of rain received over the last few days, the mulch is deemed to be too wet and not suitable for sale to the public.

It is expected that sales will resume once the mulch has dried and the Shire is once again satisfied with its quality.

The Shire will advise the public when mulch sales will restart.

Ends
