Gantheaume Point and Cable Beach re-opened

The Shire has this morning re-opened beaches from Gantheaume Point to Cable Beach.

The beaches were closed yesterday afternoon due to a crocodile sighting, however regular patrols by Shire staff have shown that the crocodile has not been sighted since late yesterday afternoon.

Crocodile advisory signs are in place at both Cable Beach and Gantheaume Point, with Shire staff continuing to monitor the area as a safety precaution.

For more information on the matter please contact the Department of Environment and Conservation on 08 9195 5500.

Ends.
