For immediate release

Compact Fluoro Lamps FREE From Shire

Want to save on energy costs? Then try a Compact Fluoro Lamp (CFL) instead of your usual light globe.

The Sustainable Energy Development Office is giving away four free energy saving CFL's per household and they are available from the Shire Administration Office.

To claim your household's CFLs all you need to do is produce proof of identification as a resident and complete your name address and signature.

Energy Smart Facts:

- A 14W CFL produces as much light as a 60W incandescent bulb?
- The running cost of CFL's is much lower than incandescent bulbs While a 60W incandescent bulb can cost as much as \$9 per year a 14wCFL can cost as little as \$2 per year.
- CFL's typically last around eight times longer than incandescent bulbs.

For further information contact the Shire on 9191 3456.
