MEDIA RELEASE

25 February 2011

For Immediate Release

2011 Shire Directory now available

The 2011 Shire Directory is now available for all residents, free of charge, from the Shire's Administration Office and the Broome Post Office.

Shire President Cr Graeme Campbell said the 2011 Directory was a valuable community resource containing a wide range of information from residential and business listings, through to community listings, maps, tide charts and emergency information.

"Over the years the Shire of Broome Directory has been an indispensable tool for the local community. And, for newcomers to Broome, the directory's 'Resident Kit' on pages 235 – 247, is particularly handy, providing Shire contact numbers, information on recreation services, rubbish collection and even dog exercise areas.

"Thanks has to go to the local advertisers who have contributed to this directory. Their support means that the publication is able to be produced for residents at no cost.

"The local community of course also benefits from the collaboration between the Shire and Directory's contractor, with this year \$70,000 being provided for community projects!

"I hope you find the 2011 Shire of Broome Directory a comprehensive source of reference and as always, your feedback is welcome."

"For information or questions about a specific listing please contact Market Creations on 08 9920 8500."

The online directory is available from <http://www.shireofbroomedirectory.com.au>
