## GREEN WASTE UPDATE

Residents are advised that there is no green waste collection this year by the Shire of Broome.

The Shire will pick up, as part of its pre-cyclone collection, timber, household materials, electrical appliances, etc . The dates of this collection will be advertised in the local newspaper.

“As a resident you can dump your green waste at the rubbish tip for free if you use a trailer, ute or private vehicle,” said Cr Campbell.

“You can also consider using your green waste in your garden,” he said.

“Use your green waste to mulch your garden and save on water bills or start a compost heap. Some people even use trimmed palm fronds to create walkways in their garden. “

“There is also the problem that green waste left on verges can become airborne in strong winds.”

“We ask for everyones cooperation in not putting any rubbish on their verge prior to or after the collection dates,” said Cr Campbell.

For further information contact the Shire on 9191 3456.
