

BROOME

is an extremely popular place for people wishing to escape the winter down south especially those wanting caravan park accommodation.

During July the caravan parks are already close to capacity with bookings. If you have a caravan, motorhome, or campervan and are intending to travel to Broome then why not consider either April, May, June, August, September or October as an alternative.

The roads in and around Broome are open, the weather is still beautiful and you will be able to enjoy Broome at a more leisurely pace.

If you would like to discuss this further please call the Broome Visitor Centre and speak to our knowledgeable staff on 1800 883 777 or
Email: enquiries@broomevisitorcentre.com.au
