Accommodation shall normally be booked at the Conference and Training venue or, where unavailable, at a similar-rated accommodation in the vicinity of the Conference and Training venue.

### 3.12 Mode and Class of Travel

Where travel is involved, the travel is to be undertaken with all due expedition, by the shortest most practical route, to and from the Conference and Training venue. All reasonable travel costs for Elected Members to and from the venue/accommodation will be met by the Shire.

Where air travel is involved, approval to attend should ideally be sought two months prior to departure to facilitate booking arrangements. All air travel must be economy class, any upgrades to other classes must be paid by the elected member

If accommodation is at the Conference or Training venue, or in close proximity, taxis should be used for reasonable travel requirements. Where necessary, a hire car may be arranged for the conduct of Council business. Costs of taxi fares, vehicle hire and parking, which are reasonable, required and incurred in attending Conferences and Training, will be reimbursed by the Shire.

Where, in particular circumstances, Elected Members desire to travel interstate or intrastate by private motor vehicle, they will be reimbursed for vehicle costs in accordance with the local government kilometre allowance up to an equivalent amount that would have been expended had arrangements been made to travel by air.

- (c) Expenses will generally be reimbursed from the time an Elected Member leaves home to attend an event to the time the Elected Member returns home. Should an Elected Member extend a visit by leaving prior to the time necessary to arrive for the event or return after the time at which the Elected Member could have returned following the event, reimbursements will be paid:
- for the days of the Conference and Training event only; and
  - for the cost of travel to and from the airport to the accommodation to be used for the Conference and Training.
- (d) Where a visit is extended, as discussed in paragraph (c), an Elected Member may stay for the period of the extension in different accommodation to that used for the attendance at the Conference and Training event. In such situations, the reimbursement of taxi fares will be to the estimated cost of travel between the Conference and Training event's accommodation and the airport.
- The Elected Member will be required to pay any greater amount.
- (e) Where an Elected Member attends two Conference and Training events and there is a gap of no more than three days between the conclusion of the first event and the start of the second event, the Elected Member shall be entitled to reasonable accommodation expenses and the reimbursement of 'normally accepted' living costs during that 'gap' period.

If the gap is greater than two days, only two days reimbursement can be claimed.

### 3.14 Payment of Expense Reimbursements

The extent to which an Elected Member can be reimbursed for intrastate and interstate travel and accommodation costs incurred in any of the circumstances referred to in regulation 32(1) of the Regulations is set by the Salaries and Allowances Tribunal through a determination published in the *Government Gazette* from time to time.

Nothing prevents an Elected Member from being reimbursed for any reasonable expense incurred whilst attending conferences or training where an Elected Member produces receipts or other sufficient information for the total cost to support their claim.

Reasonable expense may include but are not limited to:

An accompanying person's registration, or accompanying person's program fee, is to be paid to the conference organiser, at time of registration. The Shire will administer the registration and payment process for the accompanying person if the relevant forms and payment are made to the Shire in advance for the accompanying person.

Where the Shire meets an account containing any expenditure or cost incurred on behalf of an accompanying person attending, such expenditure must be repaid to the Shire by the elected Member/accompanying person within 30 days of being invoiced for such expenditure following the conclusion of the Conference and Training event.

### 3.17 Guidelines for Conference and Training Attendance

### **4.2 Child Care**

In accordance with Regulation 31 of the *Local Government (Administration) Regulations 1996*, child care costs will be paid at the rate set by the Salaries and Allowances Tribunal through a determination published in the *Government Gazette* from time to time for an Elected Member's attendance at a Council Meeting or a meeting of a committee of which he or she is a member, and the expense is to be claimed on the form provided.

Where an Elected Member attends any other meeting, reception, citizenship or other Council function, or Council-related activity and incurs child care costs, such costs may be claimed at the rate set by the Salaries and Allowances Tribunal through a determination published in the *Government Gazette* from time to time, provided they are substantiated with details of the date, activity attended, the actual costs incurred, and original receipts being provided and attached to the claim form.

Child care costs are applicable for children, either of natural birth or guardianship determined by legal process.

Child care costs will not be paid for where the care is provided by a member of the immediate family or relative living in the same premises as the Elected Member.

### **4.3 Time Limit on Claims and Approval Process**

Elected Members requiring reimbursement of expenses in accordance with the provisions of this Policy should submit the appropriate claim form to the CEO, together with supporting documentation, within two calendar months after the month in which the expenses were incurred, and by 15 July of the next financial year, in order to facilitate the finalisation of the Shire's annual financial statements.
