BRAC 2 Beach Fun Run

BRAC. It's time to get into training with the BRAC 2 Beach Fun Run happening again. Broome's biggest annual fun run is back for its ninth year and will offer a choice of 8km or 4km courses to suit all fitness levels. Entries open soon.

Lotterywest, Roadline and the Shire of Broome tour Town Beach as work gets underway on the latest stage.

New parks and playgrounds for Town Beach

The latest stage of the exciting upgrades at Broome's popular Town Beach is underway with construction to start on new green space, playgrounds, markets area and more.

Construction will be undertaken by local firm Roadline following a tender process, with funding from Lotterywest and the Shire of Broome.

Access to the first two stages of the project is now open to the public including a section of the rock seawall and grassed terraces overlooking Roebuck Bay, and the extension of Hammersley St behind the Broome Museum through to Robinson St, including car and boat trailer

parking. However, further short-term closures may be required as finishing touches are added.

Broome Shire President, Harold Tracey, says the latest stage of the Town Beach Project would include expanding the parkland and incorporating shade and BBQs overlooking Roebuck Bay; a nature playground featuring a wooden replica jetty, boat and climbing logs; an all-ages playground including trampolines, scooter track and half basketball court; and new markets space in front of the museum. Community art and historical information will also be a feature.

Mind the rules when camping around town

It's that time of year again when caravans and campers come to town and families come to stay.

The Shire has guidelines and rules around staying in caravans or other temporary structures such as camper trailers and tents to keep the community safe and make sure everyone is able to enjoy their properties.

Campers can only set up on private property with permission from the Shire and the consent of the

property owner. Only one caravan/camp is permitted and neighbours must be notified in writing with their responses included in the application.

Camping or setting up a caravan on a road reserve (verge) is not permitted.

More information and application forms are available at broome.wa.gov.au
