REVITALISATION

THE HEART AND SOUL OF BROOME

Thanks

to the Chinatown Revitalisation Project, Chinatown Ladies' Night will return in 2020 - with the third annual event promising to be a fabulous occasion.

Adding to the vibrancy of Chinatown, it will build upon the momentum created by the July program of live music and children's activities.

What a great opportunity for local and visiting ladies to get together to socialise, explore the precinct and take advantage of some great shopping deals.

The evening will take place on Friday, August 7, and feature a variety of attractions from fashion shows to culinary delights and an array of entertainment.

It's been so positive to see traders coming on board to participate and open their stores for the night - with 20 signing up at last count.

I am personally really looking forward to the Ladies' Night to enjoy some great company and make the most of Chinatown - the heart and soul of our town.
