BOOK VIA THE SHIRE OF BROOME WEBSITE TODAY.

BRAC School Holiday Activities are returning to BRAC Tuesday 28 September.

Choose from a range of activities with two sessions a day at BRAC.

Register your child now for school holiday fun on the shire's webpage;

<https://www.broome.wa.gov.au/.../School-Holiday-Program>

### Dash and Splash series is returning to BRAC

Dash & Splash series is back at BRAC on Friday 22 October 2021 and Friday 26 November 2021. Dash & Splash is a duathlon run swim event. Competitors can choose to take part in a short course or long course event. The short course is a 2km run with a 200m swim, while the long course is a 4km run with 400m swim. Take part in the series and see if you can beat everyone or do one event just to give it a go.

The Dash and Splash series offers a great way to maintain your fitness and stay in training.

## Investment to Juvenile Justice for Broome and Kimberley Region

We are pleased to confirm lobbying efforts by the Shire of Broome and Kimberley Regional Group to address Juvenile Justice issues in the Kimberley have been recognised through a response within the 2021/22 State budget.

\$2.355M of funding has been allocated to the Department of Justice to progress the Kimberley Juvenile Justice Strategy, through community-led initiatives including night patrols and place-based programs, as well as the opportunity to roll out a consultation process for the co-design of an on-country residential facility and a safe place facility

targeted at young people who are living in Broome and are at-risk or involved in the justice system.

The Shire recognises that the 2020 Community Perceptions Survey highlighted Community Safety as a high priority issue and the Shire continues to put its best efforts forward to continue to work with the State government to drive improved outcomes.

Other funding dispersed across the Kimberley is explained in the Kimberley Regional Group Media Release below;

## Introducing the next generation of green thumb's

On 18 August 2021 for National Tree Day the Shire's Parks and Gardens team supplied and helped plant native Australian trees and shrubs at Cable Beach Primary School.

The kids and shire staff did their planting near the Cable Beach Primary School staff carpark, planting in this area means that future kids attending Yawuru classes can learn about the natural flora in their region and can enjoy watching them grow for years to come.

Well done to Shire of Broome staff Nadine Van De Merwe - Horticulturalist and Lachlan Eyb - Garden Operator, for giving the kids educational lessons on how to correctly plant for optimal reward and survival in our unique Broome climate.

Shire of Broome Chief Executive Officer Sam Mastrolemba said it is great to see the Shire and community participating in activities such as National Tree Day together.
