

**CERTIFICATE OF STRUCTURES FORM**  
**FOR STRUCTURES TO OR GREATER THAN 9M<sup>2</sup>**  
*Health (Public Buildings) Regulations 1992*

The purpose of this certificate is to provide the Shire of Broome with assurance that the installation of the specified temporary structures greater than 9m<sup>2</sup> have been undertaken in accordance with the manufacturer's specifications by a competent person.

This form must be completed:

- by the person who is erecting the structure on the day of installation
- in full prior to event opening (hand to the Environmental Health Officer or Event Organiser on the day of the event).

Any temporary structures greater than 9m<sup>2</sup> that have not been certified by completion of this form must not be occupied.
