I'm very active in community and prepared to continue working hard to achieve best outcomes for all in the Shire of Broome. Together we can future proof the Shire of Broome as a safe destination, great place to live, work and raise families.

With a strong background in Policing and security, as the current Vice President of the Broome Chamber of Commerce and Industry, a local security business owner, Director of an Indigenous Business, Senior Coach of Broome Bulls Sporting Club, Executive member of the Security Agents Institute of WA, member at Shire of Broome Community Safety Working Group, and WA Ambassador for Men's Mental Health Charity Spoke to a Bloke, I bring a strong focus to crime prevention, security, safety, Mental Health and community. Having achieved great success in lobbying government I will apply these skills to ensure Broome remains a destination for all.

I look forward to building a thriving, safe community with your support.
