I am an independent, experienced representative for Community.

I come from a large family in Broome. I have three sons, seven grandchildren and five great grandchildren. I am a keen fisher person, gardener and love camping and visiting country.

I have been a longstanding advocate for the local community and am keen to represent your interests, and to work to help protect the environment and heritage alongside growth and development.

I support community organisations and sporting clubs, some of which I helped establish. The school and university are very important to our community as well as health and wellbeing.

I wish to remain on Council to give an independent voice to residents and local government.

I have happily served the community on the Broome Shire Council for over 25 years and would be honoured to continue.
