I was born in Broome. I am an educator, theatre writer/director/producer and work in Community Cultural Development through the arts. I am the West Kimberley Arts Hub Coordinator based at Goolarri Media. I started the Sandfly Circus, Theatre Kimberley's Dragonfly Outreach programme to remote communities and co-creator of the iconic Worn Art Event and Shorebird Quest.

After lobbying for the development of an Arts and Culture strategic plan for 30 years, finally a plan has been recently passed by Shire Council of Broome. If elected I will see this plan implemented.

I will continue to work for

- Our community, a special place to live that is caring and unique.
- Young people. Supporting them to become positive active members of the community.
- The Arts to improve livability in the community, provide health and well being, develop Arts skills that are highly transferable across workplaces. The arts is a significant industry that employs many people and brings considerable wealth to the region.
