Election type	<b>Ordinary</b>
Enrolment status	<b>LEWIS, Jan is eligible to stand for election as a resident of the Shire of Broome.</b>

I'm running for Council because I think there should be more focus on residents and ratepayers' wellbeing and on preserving our beautiful natural environment. I believe wider community input is needed before decisions on new initiatives are made. Also, the Shire needs to increase advocacy for services that enable older people to stay here, and address airport noise issues and weed management in public areas. I have the time and skills to represent your interests. In my past 30+ year Kimberley life I've been a TAFE lecturer and a public servant and self-employed consultant in the Aboriginal health & community services sector. Since retiring I've spent time planting native trees in old Cable Beach area and volunteering with community groups including the Heritage Centre, Environs Kimberley, Feed the Little Children and Broome Bird Observatory. I've also spear-headed the No More Trucks campaign against mining trucks to the Broome port. In 2021 I was Broome's Senior Citizen of the Year.
