As a long standing Broome resident and serving Shire Councillor and current Deputy President I am nominating for the position of Shire President.

After 30 years of serving as Councillor, Deputy President, along with many committees I have chaired, and stepping in for the President on occassion, I believe I have the skills and knowledge to undertake the role in the best interests of the community.

I represent the Shire on the Kimberley Zone of Councils and chaired that committee over 4 years. I was appointed as State Councillor - Kimberley representative to the WA Local Government Association.

I am committed to representing the community with integrity and accountability. I will continue to lobby and advocate for affordable housing, key worker accomodation, community safety, sound economic development and job creation - in particular for our youth, excellent education and health services, and environmental and coastal management. A key priority is a safe boating facility for our community.
