Broome is about to be smashed by 100 massive 60 metre 4 trailer mining trucks. 24 hours a day, every day, for the next 30 years. Plus another 160 trucks a day dumping radioactive material onto ships in the Port on loading days. Add the Marine Supply Base and the Port's new gas and chemical processing hub and what chance will Broome community members have of fishing off the jetty or accessing Entrance Point safely? Can so many trucks and Broome's way of life and tourism really co-exist?

What about the impact on our safety, housing, access to seeing a doctor, childcare, small businesses competing with mining wage, the tourism industry, fishing and our special way of life?

This election vote for someone who will fight to keep Broome safe.
