### **New Shire Directory now being delivered**

The 2016 Shire of Broome Directory is now being delivered free of charge to residents and businesses, and will also be available from the Shire Administration office and online.

Broome Shire President, Ron Johnston, said the 2016 directory was a valuable community resource containing a wide range of information including residential, business and community contact listings, street maps, tide charts, emergency information, and a comprehensive guide to the services provided by the Shire.

“For the convenience of residents the directory will be delivered directly to Broome homes and businesses in coming weeks by the Roebuck Primary School P&C as a fundraising activity,” Cr Johnston said.

“The Broome community also benefits in other ways, with the directory contractor providing a financial contribution to the Broome Chamber of Commerce and Industry for business development initiatives, and offering community marketing workshops.

“Thanks go to the many local advertisers who have contributed to the directory and whose support means the publication is able to be produced at no cost to residents.

“Feedback is always welcome, and for information about delivery of the directory, or specific directory listings, please contact Market Creations on (08) 9920 8500.”

The 2016 directory is also available online at [www.shireofbroomedirectory.com.au](http://www.shireofbroomedirectory.com.au).
