MEDIA RELEASE

6 February 2015

For immediate release

Shire of Broome Directory now being delivered

The 2015 Shire of Broome Directory is now being delivered free of charge to residents and businesses, and will also be available from the Shire Administration office and online.

Broome Shire President Graeme Campbell said the 2015 directory was a valuable community resource containing a wide range of information including residential, business and community contact listings, street maps, tide charts, emergency information, and a comprehensive guide to the services provided by the Shire.

“For the convenience of residents the directory is being delivered directly to Broome homes and businesses, which will take about a month to complete,” Cr Campbell said.

“The delivery is being carried out by the Roebuck Primary School P&C as a fundraising activity, and the Broome community also benefits in other ways, with the contractor that produces the directory contributing \$30,000 to the Broome Chamber of Commerce and Industry, and offering marketing and internet workshops to the community and local schools.

“Thanks go to the many local advertisers who have contributed to the directory and whose support means the publication is able to be produced at no cost to residents.

“Feedback is always welcome, and for information about delivery of the directory, or specific directory listings, please contact Market Creations on (08) 9920 8500.”

The 2015 directory is also available online at www.shireofbroomedirectory.com.au.
