

## What's Happening *in the Shire of Broome?*

### A Lively Library

Australia's largest celebration of writing and books will be held at the Broome Public Library from Thursday, May 23, to Sunday, May 26. The **Live & Local** program provides libraries across regional Australia with a free live stream of sessions from the Sydney Writers Festival. **To see the full program being offered visit [broome.wa.gov.au/events](http://broome.wa.gov.au/events)**

The Broome Public Library has terrific weekly programs for young people. Tuesday's activities consist of the LEGO and STEAM clubs. The LEGO club meets to complete a brand-new build challenge that sparks creativity and tests building skills. Or join the STEAM club, which is currently collaging and binding its own sketch books.

### Community Scorecard

There is still time to provide your feedback on how the Shire is faring – and where it can improve. The Community Scorecard generally takes 5-10 minutes to complete. Everyone 14 years and older is encouraged to provide feedback. Visit [broome.wa.gov.au/scorecard2024](http://broome.wa.gov.au/scorecard2024) or scan the QR code. Closes May 13.

## Calling all future volunteers

### Food vans are back with al fresco treats at Town Beach

Kullarri Regional Communities Indigenous Corporation and Kuld Creamery are serving delicious food, snacks, and beverages at the Town Beach Cafe site.

Swing by the Kullarri food truck for a coffee and, if you're peckish, a burger, brekky wrap, fish tacos, or fish and salad.

If you're more of a sweet tooth. Kuld Creamery is on hand for ice cream, freshly made waffle cones, ice cream sandwiches, and homemade baked goods. Vendors will be trading every day except Tuesdays.

### What's happening at Cable Beach?

Work has commenced on coastal remediation works between the Surf Club and Cable Beach House restaurant and the demolition and reconstruction of the beach access stairs at both locations.

The stairs near the restaurant are now closed, but you can access the beach 90m to the north. Please note that there are still exposed rocks at the bottom of the stairs.

The foreshore path between the restaurant and the Surf Club will be temporarily closed. The Surf Club can be accessed from the adjacent car park.

Over behind the Surf Club, Shire crews are installing a new footpath near the Sanctuary Road roundabout to link the car parks. Work is also about to start on garden beds, featuring native plants cultivated at the Shire depot from local seeds.
