Council seeks community views through survey

A comprehensive survey seeking the community's views on a wide range of services, facilities, events and issues in Broome is being distributed this week.

The Shire of Broome Community Perceptions Survey 2015 is being distributed to residential PO boxes in Broome, and anyone not receiving a form can collect one from the Shire administration or fill out the survey online via a link on the Shire website at www.broome.wa.gov.au.

The survey is open to all residents and ratepayers aged 18 and over and responses must be received by Friday 15 May 2015.

As an added incentive, all those who submit surveys by the closing date will go into a draw to win an iPad. Shire Councillors, Shire staff and their families are ineligible to win.

Broome Shire President, Graeme Campbell, says Council wants to hear the community's views on services and facilities, and ideas about improving them.

"Councillors are elected by the community and we need the community's feedback to help make decisions and plan for the future," Cr Campbell says.

"This is an important opportunity to tell your Council what you believe the priorities are for the Shire and I would encourage everyone to complete and return the survey

form. We are making this as accessible as possible by distributing the survey through PO boxes, posting forms to non-resident ratepayers, and making it available online.

"In addition, to make sure the views of residents in the Shire's main remote communities are also heard we will be using the services of facilitators to conduct surveys face-to-face."

The survey is being conducted by an independent market research firm on behalf of Council which means the Shire will not have access to individuals' survey forms.
