| Tender No. | RFT23-11 | Tender Title | BRAC Tennis Court Surface Upgrade |
| Brief description of services required: | The Shire of Broome is seeking a Design and Construct proposal for the surface upgrade of 8 existing outdoor Tennis Courts at the BRAC in Broome WA, using a cushioned surface over an existing acrylic painted surface applied to asphalt, including some remedial works, to be completed before 30 June 2024. | | |
| Particulars of the decision to invite tenders: | <p>The 8 existing tennis court surfaces at BRAC (7 x Acrylic Paved (painted) and 1 x Acrylic Cushion) are degraded where the surface is variously and substantially cracked, since the time that both were installed in 2014.</p> <p>It is likely that where the proposed works are not carried out, the Tennis Courts will become rapidly unusable, as a result of continuing water ingress into surface cracks, and as a result of further degradation of the Plexi Pavé surface in the normal course of usage and UV damage.</p> <p>Please refer to the tender attachments for all relevant information and ensure to acknowledge any tender addendum.</p> | | |
| Delegated Authority to Issue Tender | Director of Infrastructure Jeremy Hall | | |
