

Shire of Broome  
**TENDER REGISTER**

<b>Tender No.</b>	<b>RFT23-15</b>	<b>Tender Title</b>	<b>BRAC Tennis Court Surface Upgrade</b>
<b>Brief description of services required:</b>	The Shire of Broome is seeking a Design and Construct proposal for the surface upgrade of 8 existing outdoor Tennis Courts at the BRAC in Broome WA, using a cushioned surface over an existing acrylic painted surface applied to asphalt, including some remedial works, to be completed before 30 June 2024		
<b>Particulars of the decision to invite tenders:</b>	<p>The 8 existing tennis court surfaces at BRAC (7 x Acrylic Paved (painted) and 1 x Acrylic Cushion) are degraded where the surface is variously and substantially cracked, since the time that both were installed in 2014.</p> <p>It is likely that where the proposed works are not carried out, the Tennis Courts will become rapidly unusable, as a result of continuing water ingress into surface cracks, and as a result of further degradation of the Plexi Pave surface in the normal course of usage and UV damage.</p> <p>Please refer to the tender attachments for all relevant information and ensure to acknowledge any tender addendum.</p>		
<b>Delegated Authority to Issue Tender</b>	Director of Infrastructure Jeremy Hall
