

## **EXPRESSION OF INTEREST SEMI-PERMANENT TRADING PERMIT AT TOWN BEACH SOUTH**

The Shire of Broome (the Shire) invites mobile food businesses to submit a Trading Proposal to operate on a semi-permanent basis at Town Beach South Trading Zone from May to October 2023.

The Town Beach Café will not be operating in 2023 and the Shire is seeking to provide a regular and reliable food and beverage service for residents and tourists.

### **Trading Period**

The Shire's preference is to have a range of food and beverage offerings available from 5 May to 31 October 2023, Monday to Sunday, 7am onwards, on a permanent roster.

### **Offer**

- Free license for Town Beach Trading Zone only (expiry October 2023)
- Free power, if located near the café (no generators permitted)
- Exclusivity

### **Trading Zones**

Three new temporary Trading Zones have been proposed below and will be finalised in discussion with Traders. No generators are permitted. Power will be provided to successful Traders at no cost if they can locate near the existing café. The shade frame and sail will be removed if this location is selected.

**MAP 1** – Proposed new Trading Zones (with access to power)

### **Existing Trading Zones**

The three existing Trading Zones in the Town Beach Carpark South trading zone under the Trading in Public Places policy, will cease to be available for the Trading Period to ensure exclusivity to the successful Trading Permit holders.

### **How Will It Work?**

Trading Proposals will be assessed based upon availability, food and beverages offered, trading history, and presentation of the mobile food business. Successful Traders will be placed on a permanent roster and will be expected to trade at the agreed days and times for the duration of the Trading Permit. A maximum of three Traders at any given time is proposed.
