PUBLIC SCHOOL PRINCIPAL POSITION

We are looking for exceptional educators to lead our schools in an environment of
greater school autonomy. Principals are expected to provide leadership that
mobilises staff, parents and communities to work together to benefit
student learning.

Leading a public school is unique. Principals have clear responsibilities and
allegiances to the schools they lead and to maximise opportunities for their
students to be successful. At the same time, there is a requirement to adopt a
leadership role within the public school system, acting in the interests of the whole
system and wider community.

Public education in Western Australia is committed to providing a high quality
school education for every child - whatever their ability, wherever they live,
whatever their background.
