| Brief description of goods or services required: | Construction of a new roundabout at the junction of Port Drive and Guy St in Broome.<br>Re-construction of a concrete carpark and drop off/pick up area on Frederick St at the Broome Senior High School   |   |   |
| Particulars of the decision to invite tenders:   | Both projects have received Black Spot funding and the required corresponding Shire contributions allocated from Reserves and Budget. The value of each project will exceed \$250,000 and as such a Public Tender process will need to be undertaken. The decision has been made to combine the two projects in to one tender to increase the opportunities to attract a suitable Contractor or Contractors to carry out the work in what is currently a tight market. |   |   |
