

## Trading in Public Places

### Policy Objective

1. To facilitate the assessment and approval of Trading Licences in accordance with the Trading, Outdoor Dining and Street Entertainment Local Law 2003 (**Local Law**).
2. To provide guidance and direction on the location and management of traders in the district.
3. To encourage the use of parks and reserves for appropriate trading activities as a means of enhancing community activity and recreation, in such a manner that they do not conflict with amenity, usability and public safety.
4. To protect Cable Beach and other parks and reserves within the Shire as highly valued environmental, cultural and social assets enjoyed by visitors and residents alike.

### Policy Statement

1. The Local Law allows a person to apply for a licence to undertake a range of activities to trade to the public in a public place. This Policy is made under the Local Law and provides additional information not outlined in the Local Law that applies specifically to trading licences.
2. A person is exempt from being required to hold a valid trading licence when carrying out trading in a public place if:
  - 2.1 The trading is undertaken as part of an event or function approved in accordance with the *Local Government Property and Public Places Local Law 2016*;
  - 2.2 The trading is in accordance with an approval granted by the Shire under another written law;
  - 2.3 The activity is the training or instruction of fitness classes or the like; or
  - 2.4 The activity is a group walking tour.

#### 1. Approval of Applications

- 1.1 A trading licence may be issued by the Shire for a trading activity where the following criteria are met:
  - 1.1.1 The proposed trading activity occurs within an approved trading zone;
  - 1.1.2 The trading activity will not have an unreasonable impact on safety, other users of the space, traffic flow, pedestrians or the public's use of a public place;

- 1.1.3 The trading activity is well presented and does not detract from the visual or general amenity of the area;
  - 1.1.4 The trading activity will support the vibrancy and/or enhance the use of an area by persons visiting the trading zone;
  - 1.1.5 A complete application has been submitted in the approved form and applicable fee has been paid;
  - 1.1.6 A statement has been prepared detailing management measures to ensure safe entry and exit from the trading zones;

  - 1.3 Additional information may be sought from an applicant for a trading licence to facilitate the assessment of an application for a trading licence.
  - 1.4 Applications which do not meet the criteria specified in 1.1 may be considered by Council. Council may seek to engage with the community and seek public comment in relation to an application for a Trading Licence if Council considers that it is desirable to do so in the circumstances. Any submissions received by Council during the public comment period may be taken into account by Council in deciding whether to grant the trading licence applied for.

## **2. Licence Approval**

- 2.4 The Shire reserves the right to vary licence conditions at any time as required, or to cancel the licence.
